

Dear dog owners!

Your dog is welcome at the Waldhotel Arosa.

Your dogs have plenty to discover throughout the hotel, but they like the surrounding nature even more. To make living together with your four-legged friends even easier, we have summarised some house rules for you:

Before arrival:

- > Please let us know when you book if your dog will be accompanying you.
- > We charge CHF 25.00 per dog and night.
- > Please bring your own dog food.
- > Your dog must be house-trained and well behaved.

During the stay at the Waldhotel:

- > Dogs must be kept on a leash throughout the hotel premises.
- > For hygienic reasons, dogs are not allowed in the entire wellness and restaurant area.
- > Please take your dog for a walk only outside the hotel area.
- > Dogs are not allowed in the bed or on the sofa. Please use the dog bed provided for sleeping.
- > For wet or dirty paws, please use your own dog towel.
